

CHAMP Cargosystems

Traxon Global Customs - TGC

Traxon Global Customs (TGC): Global ACI

One solution

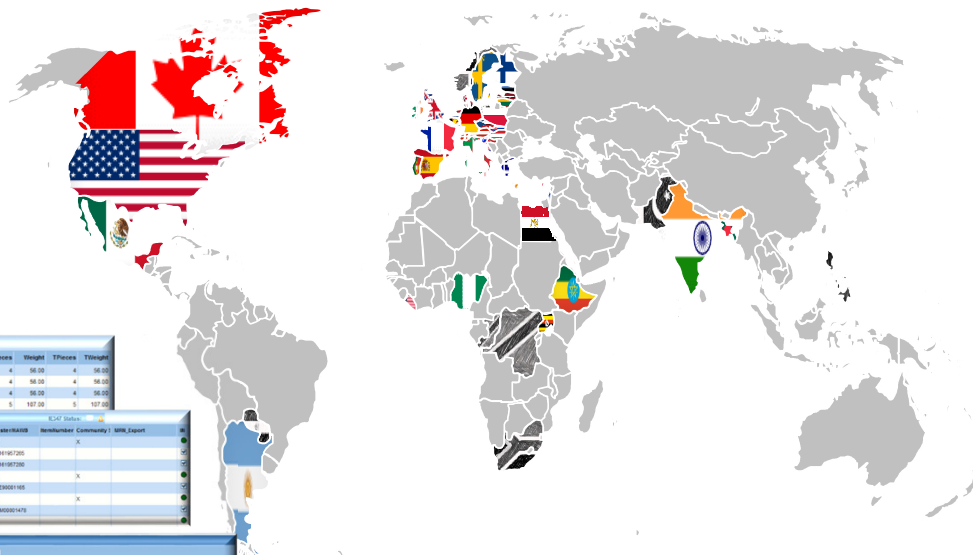

- Web-based & hosted service
 - Global Advanced Cargo Information reporting for traders: airlines, ground handlers & forwarders
 - Common look and feel to report to any Customs ACI scheme
- Regulatory compliance within the air cargo supply chain:
 - Compliance with existing reporting rules.
 - Traders can confidently exchange information electronically with various customs authorities regardless of format, communications protocols and processing rules.
- Alerting system :
 - Proactive automated alerts when:
 - Required information is missing for Customs reporting
 - Cargo is on hold status by Customs
 - Responses received from Customs
- Full audit trail / history of Customs reports & responses
